

# University Avenue

Complete Streets

STOP ON BY & SEE US...

## PUBLIC DROP-IN SESSION

VISIT US AT OUR OPEN DOOR EVENT ON AUGUST 31 - SEPT. 1, 2015

Come visit our project team of engineers, landscape architects and urban planners as we look at ways to improve University Avenue from WV 705 to Beechurst. This is an opportunity to look over our shoulder, work with the project team and share your ideas to help move people, bicyclists and vehicles more efficiently and safely throughout the corridor.

The open house will be conducted both days from 10am to 3pm and will be in the small Gold Ballroom in the Mountain Lair (WVU Student Union). Paid parking is available in the garage underneath the building.

If you walk, bike, drive or ride the bus along University Avenue, we want to hear from you.
