

Meeting Format

University Avenue Complete Streets

Public Drop In Session

Aug 31 – Sept 1, 2015

Mountain Lair

Meeting Purpose: To host a meaningful collaboration event between project team, steering committee, community leaders, development interest, public, decision-makers and other key stakeholders within the region that live, work and play along the University Avenue corridor. Ultimately, the product of this event will lead to the creation of planning and design elements and options for improving the aesthetics, safety and mobility for people along the corridor.

Aug 31st
