

The Morgantown Monongalia Metropolitan Planning Organization invites you to the

LONG RANGE TRANSPORTATION PLAN **OPEN HOUSE** FOR THE MORGANTOWN AREA

Come learn more about the 2040 Long Range Transportation Plan!

Based largely on feedback from residents and stakeholders we have received through the Crossroads planning effort, we have developed a draft Long Range Transportation Plan that we would like to share with you. We need your feedback to make sure we are addressing the community's needs. Our team will be on hand to talk more about the plan contents, the planning process, and answer questions you may have about the plan or transportation in the region. Hope to see you there!

5-8 pm
Wednesday,
DEC 5

*City of Morgantown
Public Safety Building
300 Spruce Street*

WE WANT TO HEAR FROM YOU!

Crossroads is a unique opportunity to bring residents of Morgantown, Star City, and Monongalia County together to envision and plan growth and mobility choices for the future.

For additional information contact Bill Austin at 304-291-9571 / baustin@labyrinth.net,
